Re: Objection of order to remove animal

I, James N. Surrells, owner of the dog Fala, do hereby object to my dog being ordered to be removed from the city limits as a dangerous animal.

Firstly, I have two witnesses that will testify that Fala was nowhere near the child that is accusing a bite on the dog in question. One is a former Air Force Police Officer, and the other is a passer by.

Secondly, the children claim to have been in my yard playing when the bite took place, which my video surveillance camera's prove this is not true.

I have plenty of further evidence to dispute the charges that will be brought up in the hearing. I understand that your decision was based on the info given, but that info is based in falsehoods and blatant lies, and I intend to prove it to you.

Thank you for your Time
Sincerely

James N. Surrells
