Requesting Supervisor/Manager Comments:

This training provides for professional growth of FF/PM Molnar. This training focuses on advanced work with self-contained breathing apparatus but also enhances critical thinking in stressful situations.

What are the objectives for the training?

Advanced work in self-contained breathing apparatus. Advanced training in firefighter rescue and survival. Critical thinking and decision making in stressful conditions.

How will this training be shared/implemented upon return? How will this training benefit the City?

FF/PM Molnar is active in our recruit training and training of peers. The lessons learned in this course will be shared by Ben with his peers and incoming members of our department.
