Event description

Event Name: 2026 Great Lakes Watercross Season Championship Event Dates: August 21–23, 2026
Location: Red Arrow Park / Lake Michigan Shoreline

Event Description: The Great Lakes Watercross Season Championship is a professional and amateur personal watercraft (PWC) racing event. As the final stop of the 2026 regional circuit, the event will feature "closed-course" buoy racing and a freestyle skill showcase.

The event is designed as a family-friendly, community-focused beach festival. Spectators will gather along the shoreline to watch athletes compete in various classes based on age and machine type. Our organization handles all course buoy markers, professional race officiating, and safety marshals (on-water rescue). We aim to highlight Manitowoc's beautiful waterfront while promoting safe, competitive boating maneuvers in a controlled environment.

Estimated total attendance	1000
