G. Minikel said there are a few homes built and more coming.

A motion was made by Alderperson Brett Norell, seconded by Vice Chair William DeBaets, that the paving request was approved as a CAWG Request for 2027 and referred to council. The motion carried by the following vote:

Aye: 5 - Schlei, DeBaets, Norell, Anderson and Brey

26-0187 Discuss public/private school snow removal

Attachments: [DeBaets PS Items Request 03-04-2026](#)

Alderman DeBaets originally brought forward and requested numbers from DPW.

Billy Hutterer was present and stated that he supplied rough numbers as new signage would be required. The impact would be approximately \$19,500 per year and an additional 3 hours added as a total to routes. There is no guaranty that these streets would be plowed before the start of school as the main arterial streets would be first.

This will also affect street parking for residents.

The Committee decided to place on file as salt routes are a higher priority.

A motion was made by Alderperson Brett Norell, seconded by Alderperson Brian Anderson, that the discussion for public/private school snow removal would be placed on file and referred to Council. The motion carried by the following vote:

Aye: 5 - Schlei, DeBaets, Norell, Anderson and Brey

26-0256 Recycling Ordinance Revisions

Joe Pozorski and Mike Pozorski were both present for the meeting. Attorney Joe Pozorski expressed a few changes that he is requesting to the Recycling Ordinance.

In Ordinance 13.030 Regulation of Commercial Garbage Haulers Section 1 (3) Collection and Disposal (a) Collection of Recyclables requested Commercial garbage haulers shall provide curbside recycling at least monthly, change to One-two family only, as we only pickup **curbside** for 1-2 families. Also in last sentence change from "Recyclable Materials Only" to only "**Recycling**" on containers. He said the DNR is ok with this. G. Minikel said future containers could be labeled this way with direction of the City Attorney.

In Ordinance 13.010 Solid Waste Recycling and Disposal under Section 1 (16) Preparation and Collection of Recyclable Materials, there were changes Attorney Pozorski recommended eliminating the paragraph under (j) Steel containers shall be placed in an approved recycling container. (21) Regulations the paragraph to read as follows: "The Director of Public Works is authorized to establish and promulgate reasonable regulations to effectuate the implementation of the City's recycling program, which shall be effective following approval by the **Department of Public Works Committee** and reasonable notice to the public **and the licensed haulers**."

The Committee was in favor of the changes presented by Attorney Pozorski, with approval by the City Attorney.

A motion was made by Vice Chair William DeBaets, seconded by Alderperson Brett Norell, that the Recycling Ordinance was approved with changes requested and approval by the City Attorney, then referred to council. The motion carried by the following vote:

Aye: 5 - Schlei, DeBaets, Norell, Anderson and Brey
