Hello Amber,

Today I spoke with David Kidd and the new owner of the dog, Samantha Cowan at the PD. Please invite them to the next Public Safety Committee Meeting where the appeal will be heard (they live together at David's address). Please also invite the victim of the dog bite – Christine Waskow. I spoke to her on the phone two days ago and she said she would come to the meeting if need be (if this was contested).

Samantha said she was going to take some photos of the area where this happened. I gave David my business card with my email on it. I told them to email me anything they wanted to present at the meeting so the committee could see and read these things ahead of the meeting. I will forward you those emails if/when I receive them. Please make sure the attached letter is on the agenda for the next meeting as well.

FYI,
Nick
