

Public Notice of an Air Pollution Control Permit Application Review

Facility Description

Wisconsin Aluminum Foundry, located at 838 S 16th Street, Manitowoc, Manitowoc County, Wisconsin, FID 436006890, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for a facility expansion that includes the construction, modification and relocation of aluminum melt furnaces and the construction of a castings finishing line and revision of an operation permit for an existing aluminum foundry.

Air pollution control construction permit no. 22-DMM-138.

Air pollution control operation permit no. 43600689A-F25.

Application Review

DNR has prepared an analysis and made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit may be approved. You can view the permit application, the DNR's analysis, preliminary determination and draft permit, and other materials considered by the department using the Air Permit Search Tool located at <https://dnr.wisconsin.gov/topic/AirPermits/Search.html> or by contacting David Minkey (920) 585-0277 or by e-mail at David.Minkey@wisconsin.gov.

For questions about the permit application or the DNR's analysis, preliminary determination and draft permit please contact Dave Minkey at (920) 585-0277 or by e-mail at David.Minkey@wisconsin.gov.

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at https://apps.dnr.wi.gov/warp_ext/public_notice.aspx. Comments or request for hearing should be sent to Dave Minkey at David.Minkey@wisconsin.gov or to:

Wisconsin Department of Natural Resources, Northeast Region Air Program, 2984 Shawano Avenue, Green Bay, WI 54313-6727. Attn.: Dave Minkey.

If a hearing is requested, the requester shall indicate their interest in the permit and the reasons why a hearing is warranted.

All comments received by the DNR at the public hearing if one is held, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided upon request.

Notice: Any information, including personal or contact information, submitted to the department may be considered a public record. Records may be publicly disclosed either in paper form or electronically and could be searchable on the Internet.
