Good Morning, Chairs of Standing Committees -

Would you be acceptable to having a "Discussion on the 2027 Budget and Requests of the Mayor" added to each of your individual standing committee agendas for your August meeting?

I will be available to attend all the meetings in August to hear your thoughts and ideas for the 2027 Budget, based off the individual committee's requests (meaning Public Safety should be for Police and Fire, Personnel for people, Finance general and departments that fall under it). I will also encourage Department Heads to attend their oversight committee to be a part of the discussion.

I will have the Department Heads add this to each of your agendas, unless I hear otherwise from you.

Thank you!
