OK, thank you Sonja. I will be there.

I'll reach out to West Foundation this week to see if they would like to join us at the meeting. Will let you know after I hear back there.

Thanks again everyone!

Absolutely yes to all.

Curt, can you get this on the next PI agenda?

Understandable. Yes, I'm on board with that. Is the August meeting something I could attend, or is that a closed meeting? Would it be helpful if we could get a west foundation board member there as well, assuming that's allowed?

Thanks!

Hey Kris –

Glad they are interested!

However, at this point, I would not be able to write a letter on my own. I would need council approval, especially with the words "intend to include this in the 2025 budget". While personally I want to make it work, I cannot hold the city to that.

Maybe we should take this to the Public Infrastructure Committee for discussion and hopefully approval.

They don't meet again until August....

Thoughts?

Good Afternoon Gentlemen,

The west foundation contacted me today. They are interested in supporting the skatepark project, but the board tabled the discussion today because they need a letter from the city confirming the cities support of the project.

I understand the city needs to pass the 2025 budget with the funds for the skatepark included for the city contribution to go through.

Mayor Nickels - can you draft a letter stating your support for the "idea" and the intention to include this project in the 2025 city budget? I'm not sure what verbiage they need, precisely. But I'll run it by John Jaggeman before sending it to the west foundation.

Let me know if you have any questions or need more info here.

Thanks!

Hi fellows,

Hope you're enjoying the summer so far. Just figured I'd drop a note to keep you in the loop on the skatepark project progress.

I submitted the grant request to the west foundation last week and they are reviewing now. I'll let you know when I know more. Let me know if you have any questions in the meantime.

Thanks!
