

Report to the Manitowoc Plan Commission

Meeting Date: April 22, 2026

Request: PC 5-2026: Sonnenburg; Petition to Rezone from C-1 Commercial to R-4 Single and Two Family Residential and B-1 Office - Residential located at 1310 Martin Street.

Existing Land Use for Subject Property: portion is vacant and remainder is existing business

Existing Zoning for Subject Property: C-1 Commercial

Surrounding Property Land Uses and Zoning

Direction	Existing Land Use	Existing Zoning
North, West	Residential	R-4 Single & Two Family Residential
South	Personal storage garage	C-1 Commercial
East	Residential & Personal Storage garage	B-1 Office Residential, B-2 Neighborhood Business and C-1 Commercial

Report: Kevin Sonnenburg is petitioning to rezone his property located at 1310 Martin Street from C-1 Commercial to R-4 Single & Two Family Residential and B-1 Office-Residential. Sonnenburg purchased the property in May 2022 from Edward Dorvinen. Historically the property had many accessory buildings with a variety of building code violations. After purchasing the property Sonnenburg has cleaned up the property clearing all of the non-compliant structures and trees from the site. Currently the only two structures that remain are an office-business building and associated garage.

The property is 0.83 acres with 120 feet of frontage along Mary Street and approximately 300 feet of frontage along Martin Street. Sonnenburg has submitted a certified survey to split the lot up into four lots. The northerly lot (Lot 1) is planned to have a two-family residence constructed on it facing Mary Street; lot 2 will have the existing office – business building on it; lots 3 & 4 will have single or two-family residences constructed on it facing Martin Street.

The general area has historically been a mix of business, office and residential uses but has been trending towards residential uses because of the lack of visibility from Calumet Avenue and the residential feel of the neighborhood.

Future Land Use Map: The Future Land Use Map shows the area as Planned Mixed Use. The Planned Mixed Use category advises a blend of community-oriented businesses including small-scale retail and service businesses, office, multi-family, single family and institutional uses.

The proposed rezoning is consistent with the Comprehensive Plan.

Public Comments: Notices were mailed out to property owners within 200 feet, excluding right-of-way on April 14th. At the time of this writing no comments were received.
