RE: Denying Secondary Employment as Legitimate Reason

Chief Blaser and Personnel Committee Members:

Pursuant to Article 7, Section 3 of the contract, the Union hereby demands arbitration of the above-referenced matters.

As you know, the party contemplates the parties each naming one individual to a three-person arbitration board, with the third individual jointly selected. The Union proposes that instead, the parties stipulate to allow the WERC to name a single arbitrator to preside over the arbitration. Please indicate before August 29th, 2024 whether the City will stipulate.

I look forward to discussing the issue further in detail if the committee feel the need or want to meet in person.

Sincerely,

L368 President

Ben Molnar
