Dear Alderman Sitkiewitz and City Clerk Reed,

Please accept this letter as my formal notice to seek re-appointment for a second term on the Manitowoc Public Utilities Commission. I was appointed in January 2023 with my current term expiring September 30<sup>th</sup>, 2025.

For the past 3 years, I have graciously served the ratepayers of Manitowoc on the Commission and brought value to all stakeholders with my governance involvement I am charged in providing. This work has allowed the current operations to provide services effectively and efficiently and at an elevated level of customer service as proven in the reliability recognition and feedback from users. Also, commission oversight has helped support operations to ensure it is a highly effective employer.

Over the past three years, I have used my relationships at all levels of government to continually educate our elected representatives on the importance of public power and services. In a fast-changing landscape, these relationships are critical for current and future operations to be sustainable and effective to the ratepayers.

Lastly, Manitowoc Public Utilities has taken on leading edge innovations in alternative fuel sources to help improve our environment, costs, and sustainability. I have dedicated several hours to join my fellow commissioners in guiding the organization in evaluating these new opportunities and in which I would enjoy the opportunity to continue through another appointment. and please let me know if you or anyone has questions for me.

Sincerely,
