Dear Mr. Mayor and Alders:

I am unable to attend your Planning Meeting tonight because I am assisting with a NAMI event this evening. Therefore I am sending you a short note stating my support for this request.

There are numerous reasons to pursue this project. The most pressing is providing assistance and a safe and prideful place for our homeless. That need is significant. Pastor Matt made it visible in addition to providing warm beds!

I am so pleased with the numerous positive things that are happening in Manitowoc -- the news today on the Mirro site is proof of the positive changes that make Manitowoc a desirable place to live, work and raise a family. Perfect - no; but it is our permanent job to make it better.

I believe we have the talent, the skills and the resources to

keep improving our city. Some changes must take place to respond to the changes in our society in the last five years. But providing the best services we can for all our citizens is the fun part!

Thanks for your leadership, and I hope you will support the application for the conditional use permit.

Regards,
John Jagemann
