I have not had any direct contact. Similar to Alder Beeman, it was social media postings.

I'm not sure of the requests by those residents but I've witnessed via social media that they have a petition started.
I'm unsure if alder Norell has had any direct contact on this subject?

Thanks

Do you have any further info about the request – do they want a 4 way stop? Parking signs? Ped Signs? What are the issues with this intersection? I would like to give our City Staff details on what they are supposed to be looking into or making a recommendation about.

Thanks Alder Beeman. I agree that this should be added to the agenda and discussed at the October Public Safety meeting.

Happy Labor Day,
I believe we would like to add possible traffic signage installation for the intersection of Columbus and south 9th St. to our October Public Safety agenda. Alder Norell please weigh in if you still feel this should be considered.

Thanks all,

Yes, makes sense. What committee does this go to first?

Good afternoon Alder Novell,
Did we want to add the traffic sign discussion to the September agenda for Columbus and 9th?
Let me know?
Thanks
