

# CORE TREATMENT SERVICES INCORPORATED

March 26, 2025

Manitowoc City Council  
City Hall  
900 Quay Street  
Manitowoc, WI 54220

Dear Members of the Manitowoc City Council,

I am writing on behalf of CORE Treatment Services Inc. to express our enthusiastic support for the proposal to add another Restoration Recovery home in Manitowoc. As a dedicated provider of behavioral health services in our community, we understand firsthand the critical need for accessible, supportive housing options for individuals on their journey to recovery.

The expansion of Restoration Recovery homes aligns with our mission to create healthy communities and additionally, promote wellness and recovery among individuals struggling with substance use disorders. These homes provide a safe and structured environment that fosters stability, community support, and empowerment, all of which are essential for sustained recovery.

By adding another Restoration Recovery home, Manitowoc will not only enhance its capacity to support individuals in recovery but also contribute to the overall well-being and safety of our community. We have witnessed the positive impact of these homes on countless lives, helping individuals rebuild their futures with dignity and purpose.

Thank you for considering our perspective on this important matter. We look forward to the opportunity to contribute to the ongoing dialogue and support the expansion of services that benefit our community.

Sincerely,

Carmen Persaud LPC CSAC ICS  
Co-Executive Director  
CORE Treatment Services Inc.
