Event description

I was recently approached by owners of local food trucks about relocating the Food Truck Rally they began last summer. We felt the new boulevard would be a fantastic backdrop for the new rally every Tuesday

during summer. I offered to coordinate this event with the city. Looking to have roughly 6 - 10 food trucks every Tuesday, along with live music (and BEER) on PetSkull Brewing's outdoor patio. We would obviously be interested in the city blocking off the boulevard approximately one hour before the rally (starts at 4:00).

Questions and comments

I was JUST approached about coordinating this. We humbly ask you to waive the \$100 late fee as this is great for our city and downtown. For the first time, this late submission isn't simply a result of Paul being poor planner.
