Subject: Naming Request

Good Morning, Alderman Schlei,

I've received a request to bring forward a proposal to the Council regarding the naming of a set of tennis courts at Lincoln Park in honor and memory of Bob Nelson, recognizing his decades of contributions to the sport of tennis in Manitowoc.

As you may recall, the Council recently approved naming a set of courts after Bob Feller. This proposal would apply the same recognition to the remaining three courts at the park. There is still another set of courts in the complex, and there is a potential for another individual's name to be added.

Steve Mirsberger has expressed interest in presenting this request to the Public Infrastructure Committee. Would you be willing to include this item for discussion and possible action on the Committee's agenda for December 3rd?

Thank you for your consideration!
