Amber –

Sonja talked with Greg Minikel today regarding the Deaf Sign Request below and they thought this should go to Public Safety.

Could you see if you can put this on your committee agenda?

Thank you,

Thank you for a quick reply ! The area is 1202 N 8th street. I am trying to gather enough information to pass on to my son's family who own the house and lives there ! My grandson is hard of hearing as well as nonverbal autistic . Such a busy street that I brought it up to them and I told them I would try to find out the information for them ! Thank you so much for your help!

Good Morning Teresa -

I received your email below. This is something that would need to be reviewed and approved by the Public Infrastructure Committee.

If you could reply with where you are looking to have a sign put up – I can forward it to the committee.

Thank you,

Good Morning!

I was wondering if this is the correct "way" to contact someone about getting a deaf child sign put up? I am having trouble finding the right resources and how to go about it . If you could help in any way...that would be great!!!!

Thank You
