Subject: December Finance Item

Good morning Alder Sitkiewitz,

Staff is working on gathering feedback and information on the initial year of operation of the DORA. We would like the opportunity to provide a summary and discuss potential updates to the ordinance regulating the district at the December Finance meeting. Likely topics of discussion would be extending the dates of the district, hours of operation, and adjusting the boundary to add other businesses.

Please let me know if you have any questions or concerns.
