Re: Renovation of Meeting & Study Room Spaces
Date: July 27, 2026

Please see the attached Bid Tabulation for the only submitted public bid on the Library's renovation project. The total bid is \$310,583.00.

I presented this Bid to the Manitowoc Public Library Foundation for review on July 21. The Foundation is recommending that the Library Board accept the Bid as presented; the total falls within the budget already approved for the project.

With Library Board approval, the Bid will be placed on the City Council August 17 meeting agenda for final acceptance as part of the City's public bid process.

Thank you for your consideration.
