[Staff recommendation - Greg Minikel](#)

Principal Lisa Delsman of Jefferson Elementary School was in attendance and highlighted that Jefferson Elementary is mainly a walking school. She expressed concerns regarding student safety and requested a flashing pedestrian crossing at the intersection of South 14th and Division Street, which is also currently monitored by a City of Manitowoc Crossing Guard.

Police Chief Reimer and Engineering Division Manager Greg Minikel joined the discussion to explore options and costs related to installing an RRFB (Rectangular Rapid Flashing Beacon) crosswalk light/sign. Chief Reimer noted that the intersection of 14th and Division is particularly busy and would still require a crossing guard, even with an RRFB in place.

Manitowoc Public School District Building and Grounds Coordinator Mike Schwarz was also present and indicated that the MPSD is prepared to cover the expenses associated with the RRFB installation. A motion was made to approve the installation of an RRFB at South 14th and Division Street, contingent upon the school district agreeing to cover the costs.

Moved by Reckelberg, seconded by DeBaets, that this Action Item be approved and referred to council. The motion carried by the following vote:
