Dear City of Manitowoc:

As we begin a new year, we want to thank you for the incredible impact you made this Christmas season through The Salvation Army of Manitowoc County.

Because of your generosity, our **Toy Shop and Angel Tree programs served 364 families and 992 children**, providing more than **9,000 toys and gifts** and helping parents experience relief and joy during a stressful season. Your support ensured that children across our community felt remembered, valued, and loved.

Your giving also powered our **Red Kettle Campaign**, which raised **\$111,000 toward our \$125,000 goal**. While we fell just short, these funds are already helping us provide food, emergency assistance, and ongoing support to neighbors who need it most.

As we look ahead, we are excited to share that our **youth program Club 3:16 will resume on January 15**, offering a safe and encouraging space for young people to connect, grow, and thrive. Check our Facebook page for a registration link.

Thank you for being part of this life-changing work. Your generosity continues to make a difference well beyond the holiday season.

Peace be with you,

Michael Pearson
Development Director of Manitowoc County
