Good morning - FYI, please see Basil Buchko's resignation from the Library Board, effective immediately. I talked with Library Board members last night, and some members expressed they had a couple people in mind. I will pass along the link where people apply - I expect we will see some interest in the next couple weeks!

Thank you,

Darian & Karin,

Please accept my resignation from the Library Board. I have been elected as Secretary of the Wisconsin State Bar and I know those duties will absorb much of my time. I have enjoyed my time on the Board and leave knowing that our library is well lead and managed. Thank you for everything you do for Manitowoc!

Basil Buchko
