Subject: External: Flashing Crosswalk

You don't often get email from tjgarcia9879@gmail.com. [Learn why this is important](#)

Hello Mayor Nickels,

First I wanted to thank you for taking the time out of your busy schedule to spend time with Cub Scout pack 3934. The kids had a wonderful time!

I talked to you briefly about getting the flashing crosswalk installed on South 14th & Dewey Street. My son Atticus goes to school at Monroe Elementary. I live on South 15th St. and his mom lives on South 9th St. During bike riding season, he likes to ride to and from school. Unfortunately, I had to have him stop because the traffic at the hour is very busy for him to cross. Both Jefferson Elementary and Monroe Elementary are within 3/4 of a mile to 14th & Dewey. There is currently a flashing crosswalk installed on S 23rd St. And Dewey. There is a lot less foot traffic at that intersection.

I look forward to hearing back on what can be done.

Thank you,
Travis Garcia
