To whom it may concern,

We are writing on behalf of Legacy Christian School of Manitowoc (LCSM) to request approval to occupy the building at 1851 Alverno Road starting in July 2026. LCSM is a non-profit private school that was recently established in 2024. We have been renting space from Faith Church located at 2201 South 42nd Street, but with our current growth, the church no longer has the capacity we need for the upcoming school year. We have been looking for a new location that is both "move-in" ready and embodies our core value of Excellence. We believe the Americollect building is that space for the Fall and future years to come.

Legacy Christian School of Manitowoc is projected to have 70 students ranging from 4K-8th grade and 10 staff members for the 2026/2027 school year. We have been in conversations with the owner of the Americollect Building, Mr. Kenlyn Gretz, who is willing to rent the space to our school on a long term lease. Because the building has the space and rooms that we need, any changes to the building will be minimal and may include removing non-load-bearing walls to make some of the office rooms larger. Because of our minimal staff and students, we will only have use of one parking lot as no additional space will be needed. We currently do not utilize buses, so transportation through the lot will only be personal family vehicles for pick-up and drop-off of their children.

LCSM takes pride in their core values of Excellence, Courage, Honor and Wisdom and exude those in all aspects of operation from teaching to facility care. Our mission is to equip students for a Christ-centered life of excellence, and teach that through all aspects from care for each other, respect for authority, and pride in our facility. We take pride in our school and will be good stewards of this property and maintain good relationships with those we are in contact with.

We hope that you will approve a portion of the Americollect building at 1851 Alverno Road for the new home of Legacy Christian School of Manitowoc starting in July 2026.

Sincerely,

Matt DiMarco, School Board Treasurer  
Audrey DiMarco, School Board Chair
