Subject: Item for August 11 Public Safety Committee Meeting

Amber,

The Chief and Mayor Nickels would like an item added to the August 11th Public Safety Committee Agenda for the following:

- 1. Request to Install a Stop Sign at S. 8th St. and Columbus St. for southbound traffic.**

This will make it so that all three legs of the "T" intersection will be required to stop.

The goal is to get this approved and stop sign installed prior to the school year starting on Sept. 2nd. Thanks.

Billy & Scott:

We will also need to paint a new stop bar for this new stop sign location.

Justin,

Quite a few years ago (more than 10 I think), the Public Safety Committee/Council ordered that we install No Parking Here to Corner signs at every intersection near the high school. This was done even though State Statutes do not allow parking within 15 feet of a crosswalk.

They wanted it to be a clear reminder for all that you can not park too close to the corners/crosswalks.

As far as the No Parking sign, it only has time restrictions on it, so parking is allowed on the west side of S. 8th St. to the north of Columbus St.

Greg - here is the current signage there. The "no parking here to corner" sign is really useless, as a car couldn't park there anyway.
