Please see below and attached for an Unbudgeted request for a downtown Snow Pusher. Although it is an Unbudgeted request, at the November Finance Committee meeting, the request will be to withdraw the funds from the Winter Maintenance Non Lapsing fund.

We respectfully request that your vote be submitted before end of day on **Monday, October 27th**. Please use the voting buttons above to approve or reject the request.

Thank you!

Subject: Down town snow pusher

Hello All

This is the request for the down town snow pusher discussed during the capital budget process. Billy and Myself did some good investigating on the best unit to fit the city of Manitowoc and be within or under funding amount discussed. The unit from Modern Rentals will fit the city needs the best for the dollars spent and it is from a local company out of northern Milwaukee. Replacement parts are readily available with short lead times. The unit is well built and tested which myself and Scott Y saw on Tuesday when we took a tour of the manufacturing facility and test site in Milwaukee.

Shawn I believe we had discussed 40K dollar amount for this purchase of this style unit for down town clean up and the one from Modern Rental is @ 24K and change well under the discussed amount. I have all 3 quotes attached to show the pricing differences.

Thanks

Jeremy Walvoord
