From all of us at Peter's Pantry, a big "thank you" for your donation. For over 38 years, Peter's Pantry's mission has been to assist those in our community suffering the effects of food insecurity. We can do so only because of thoughtful and caring people like you.

In addition to assisting local families, we provide food to many organizations throughout the region. These include the Haven, United Ministry Wednesday Meals, Valders Pantry, Students LTC, Lakeshore Human Society, students in need, The Production Farm & The Lotus recovery house and Domestic Violence Center.

Your donation helps us pursue our mission to assist the hungry with dignity throughout all in "Manitowoc County" and surrounding areas.

Amount \$145.00
